## BOARD OF COMMISSIONERS OF THE COUNTY OF ALLEGAN

**BOARD OF COMMISSIONERS—APPROVE REVISED MINER LAKE ASSESSMENT ROLL**

**WHEREAS**, the Allegan County Circuit Court, by order dated July 15, 1965, (i) established the level of Miner Lake in the Township of Allegan in the County of Allegan to be from May 1 (plus or minus 15 days) to November 1 (plus or minus 15 days) of each year a United States Geodetic Survey elevation of 711 feet above sea level and from November 1 (plus or minus 15 days) to May 1 (plus or minus 15 days) of each year a United States Geodetic Survey elevation of 710 feet above sea level and (ii) established the special assessment district (the "Special Assessment District") for the purpose of establishing and maintaining the lake level; and

**WHEREAS**, acting as the delegated authority, the Drain Commissioner has prepared a computation of cost of the improvements necessary to maintain the normal level of Miner Lake (the "Project") in the amount of \$421,000 and has prepared a special assessment roll assessing such amount against owners of property in the Special Assessment District that benefit from the Project; and

**WHEREAS**, pursuant to notice given as required by Part 307 of Act 451, Public Acts of Michigan, 1994, as amended ("Part 307"), the Drain Commissioner held a hearing on the cost of the Project and the special assessment roll on August 1, 2016 and,

following the hearing, approved the cost of the Project and the special assessment roll; and

**WHEREAS,** the Drain Commissioner has proposed that the Special Assessment District issue bonds in the principal amount of not to exceed \$421,000 (the "Bonds") to pay all or part of the cost of the Project and that the County pledge its full faith and credit to the payment of the Bonds; and

**WHEREAS,** Part 307 requires that the Board of Commissioners approve the cost of the Project and the special assessment roll by resolution and also approve the issuance of the Bonds by the Special Assessment District.

**THEREFORE BE IT RESOLVED,** as follows:

1. The Special Assessment District shall be designated and hereafter referred to as the "Miner Lake Level Special Assessment District."

2. The Board of Commissioners hereby ratifies and confirms the appointment of the Drain Commissioner as the "delegated authority" within the meaning of Part 307 to take such actions as are necessary to maintain the normal level of Miner Lake.

3. The cost of the Project and the special assessment roll for the Special Assessment District, in the forms presented to this meeting, are hereby approved.

4. The Board of Commissioners hereby approves the issuance of the Bonds by the Special Assessment District pursuant to Part 307 to pay all or part of the cost of the Project, the Bonds to be payable from the special assessments for the Project, and authorizes the Drain Commissioner to take all actions on behalf

of the Special Assessment District as are necessary to issue and sell the Bonds as provided in Part 307. The special assessment roll shall be payable in installments in amounts sufficient to pay the principal of and interest on the Bonds.

5. Pursuant to the authorization provided in Section 30705 of Part 307, provided that the Bonds are issued in a principal amount not to exceed \$421,000, bear interest at a rate not to exceed 4% per annum and mature on or before June 1, 2026, the Allegan County Board of Commissioners, by a two-thirds (2/3) vote of its members elect, does hereby irrevocably pledge the full faith and credit of the County of Allegan for the prompt payment of the principal of and interest on the Bonds, and does agree that in the event that property owners in the Special Assessment District shall fail or neglect to account to the County Treasurer of the County of Allegan for the amount of any such special assessment installment and interest (in anticipation of which the Bonds are issued) when due, then the amount thereof shall be immediately advanced from County funds, and the County Treasurer is directed to immediately make such advancement to the extent necessary.

6. In the event that, pursuant to said pledge of full faith and credit, the County of Allegan advances out of County funds, all or any part of the principal of and interest due on the Bonds, it shall be the duty of the County Treasurer, for and on behalf of the County of Allegan, to take all actions and proceedings and pursue all remedies permitted or authorized by law for the reimbursement of such sums so paid.

7. The County Treasurer is authorized, if necessary, to file an application for approval of the Bonds with the Michigan Department of Treasury.

8. All resolutions and parts of resolutions insofar as the same may be in conflict herewith are hereby rescinded.

## Description

The Board of Commissioners need to approve a revised Assessment Roll in the amount of \$421,000 for the Miner Lake Level Control Structure Project in accordance to the Lake Level Act 451, Part 307. In addition, I am requesting that the Assessment Roll can be paid over a ten year period. We were not able to start the project last year due to legal issues, therefore we were unable to use the Assessment Roll and Resolution that the Board of Commissioners approved on March 12, 2015. Because of an increase in the cost of the project, we need a new Assessment Roll and Resolution from the Board of Commissioners for Bonding of the project. See attached documentation.
