

**PETITION TO THE TOWNSHIP BOARD OF  
ALLEGAN TOWNSHIP, ALLEGAN COUNTY, MICHIGAN**

This is a petition showing support for the establishment of a Special Assessment District around Miner Lake which will fund the construction of a public sewer system. We, the undersigned, believe that these improvements are essential for the health, safety, and welfare of the residents of the proposed District. The public sewer system will provide residents with the ability to manage their household sewage safely and responsibly and help protect the water supply and Miner Lake. The proposed project is aligned with the Allegan Township Master Plan, will increase property values, and will foster better stewardship for Miner Lake and Allegan Township residents.

The properties proposed to be included in the Special Assessment District are defined on the attached map and parcel list. The undersigned record owners of parcels of property within the proposed district area hereby petition for the establishment of a special assessment district to fund the construction of a public sewer system in accordance with PA 188 of 1954, as amended.

If signatures are submitted from record owners of land constituting more than 50% of the total land area in the proposed special assessment district, the Allegan Township Board will initiate the process to create the special assessment district, which will include public hearings and notice provided to all landowners in the proposed district as required by PA 188.

**Instructions:**

- Each signer must sign and print his or her first and last name.
- Each signer must date his or her signature.
- Each signer must enter his or her full address.
- **All** record owners of a parcel of property must sign for that parcel to be counted toward the percentage of petitioning owners.
- *Circulator* must sign the back of the petition.
- Completed petitions must be submitted to the Township Clerk for review.
