

CERTIFICATE OF COPY OF RECORD.

State of Michigan }
County of Allegan, } ss.

I, Esther Warner Hettinger, Clerk of the Circuit Court of said County, which is a Court of Records, do hereby certify that I have compared the foregoing copy of Order Determining Lake Level in the matter of the petition of the Board of Supervisors for the County of Allegan, State of Michigan, for determination and Maintenance of the Water Level in Miner Lake, Allegan Township, Allegan County, Michigan,

with the original record thereof now remaining in the office of the Circuit Court or said County, and have found the same to be a correct transcript therefrom, and the whole of such original record.

In testimony whereof, I have hereunto set my hand and affixed the seal of said Court at Allegan, this

16th day of July, A. D. 19 65.

IN THE CIRCUIT COURT FOR THE COUNTY OF ALLEGAN

IN THE MATTER OF THE PETITION OF
THE BOARD OF SUPERVISORS FOR THE
COUNTY OF ALLEGAN, STATE OF
MICHIGAN, FOR DETERMINATION AND
MAINTENANCE OF THE WATER LEVEL
IN MINER LAKE, ALLEGAN TOWNSHIP,
ALLEGAN COUNTY, MICHIGAN.

No. 1/920

ORDER DETERMINING
LAKE LEVEL

At a session of said Court held at the Court House in the City
of Allegan, Michigan, on this ¹⁵~~15th~~ day of July, 1965.

PRESSENT: Honorable Raymond L. Smith, Circuit Judge.

The Allegan County Board of Supervisors having filed its
Petition by Ervin L. Andrews, Prosecuting Attorney, with Hoffman,
McDonald and Hoffman of counsel, for determination of the normal
height and level of Miner Lake, Allegan Township, Allegan County,
Michigan, and due notice of the Order for Hearing thereon having
been given as directed by the Court, said matter having come on to
be heard and testimony and evidence having been presented thereon
by Donald Ratekin, engineer and Allegan County Surveyor, Kenneth
Jansma and John E. Williams of the Michigan Department of Con-
servation, Oscar Zimmerman, Allegan County Drain Commissioner,
and Walter Skoglund, an interested property owner, all in open
Court, and the Court having been fully advised in the premises;

Now therefore, upon motion of Frederick D. McDonald, one of
the attorneys for Petitioner, it be and is hereby determined that
the level established and to be maintained in said Miner Lake is

and shall be from May 1 (plus or minus 15 days) to November 1 (plus or minus 15 days) of each year a United States Geodetic Survey elevation of 711 feet above sea level and from November 1 (plus or minus 15 days) to May 1 (plus or minus 15 days) of each year a United States Geodetic Survey elevation of 710 feet above sea level.

It further appearing that a two level dam shall be required to maintain said lake level,

It is Ordered that the operation thereof shall in accordance with law be under the jurisdiction and control of the Allegan County Drain Commissioner.

It further appearing that the Allegan County Board of Supervisors by its resolution of December 4, 1964, did direct the Allegan County Drain Commissioner to establish a special assessment district for this project, and that said Drain Commissioner did so and he did present the same in evidence in open Court, that upon the hearing of the Petition in this cause and review of the descriptions of land therein by the Court, no objections were offered thereto, and it appearing that said special assessment district appears proper and according to law,

It is Ordered that said special assessment district and descriptions of lands therein be and are hereby approved.

It is further Ordered that this Court shall and does retain continuing jurisdiction over said cause and that upon proper petition to the Court by any interested party, the Court will determine such relevant matters as pertain to this cause.

Circuit Judge
